

## APPENDIX C

### MAJOR STREET PLAN

The pages which follow in Appendix C include the maps from The Plan: City of Claremore-Rogers County Metropolitan Planning Area Comprehensive Plan and show the Major Street Plan. These maps show the description and location of major and minor arterial streets. The planned right-of-way widths for these streets forms the basis for determining the setbacks for types of structures in the various Zoning Districts.

The roadway right-of-way standards based on the Comprehensive Plan are as follows:

Freeway	200 feet
Major Arterial	110 feet
Minor Arterial	100 feet
Collector Street	60 feet
Local Street	50 feet
